Warranty

Quality and Performance

Navascape is fully committed to providing you with the highest product quality and performance. Our hardscape products are manufactured to meet or exceed the requirements of all applicable CSA and ASTM standards. With proper installation techniques and a minimal amount of maintenance, your project will endure for many years to come.

Lifetime Warranty

Navascape products are backed by a lifetime warranty to the original purchaser of the products for residential applications. This assurance of product quality is applicable where products have been correctly installed to meet the manufacturer's specifications. Color variances and the appearance of efflorescence do not constitute a warranty claim. Any defective products will be replaced; however, replacement labor and transportation costs are not included in this warranty. All warranty claims must be made prior to the removal or disposal of the defective product; approvals must be in writing. This warranty is not transferable. Proof of purchase is required.
